St. Anne Community's Memorial Day Celebration

By Sr. Mary Kay Moran

Our Memorial Day began with Mass together followed by a picnic on our newly cleaned porch. Saint Anne Community had a great afternoon. We began our pilgrimage by visiting the cemetery where Phil Moran is interred. Then we drove to the memorial in Loves Park.

This memorial is for veterans of six wars. Then we drove to Saint Bridget around the back at

Mary's statue. This has just been redone and the flowers are planted in memory of our eighth grader who died April 2. It was re-done last fall but the flowers were just planted, of course.

We then went to the church and spent a few minutes in the church because at 3 o'clock there was supposed to be a

minute of silence for all veterans.

Then we got back in the car and went to Culver's for a custard treat. And we continued our Memorial Day pilgrimage to the LZ peace memorial.

Our next stop was at the Vietnam Memorial where

we saw the Huey
helicopter.

Then we stopped by a
friend's house and
honked the horn and she
came out and talked to us
for a few minutes keeping
of course a 6-foot distance.

When we got home we
rested for a while and
then did the prayer
service for Laudate Si'
prepared by Sr. Susanna
Teruel. Wonderful
community holiday!
