

December 2021

Ho, ho, ho! Time to send Christmas greetings and New Year blessings to all of you.

You and your families are being remembered in a Novena of Masses being offered by Our Lady of Peace Community for you, our family and friends.

As we are busy writing cards, shopping, wrapping presents, let's not forget whose birthday we are celebrating and pray:

“Lord Jesus, we thank you for coming to live among us. We are grateful for all the blessings we have received during the past year: those times when we thought we wouldn't make it, but did, watching over us during the pandemic, for family and friends, delightful surprises, and especially for all the people who stayed connected to us through phone calls, cards, texts, etc. It's with grateful hearts we kneel before you, our Savior. Amen.”

May the peace of the Christ Child fill your hearts and home at this Christmas season and throughout the New Year.

Thank you for your emails, texts, and prayers. I am most grateful.
