

This week, I send you a **special blessing prayer** I found on the internet. I pray God will bless you and your families with whatever graces you need most at this time.

**G**od of all blessings,  
source of all life, giver of all grace:

**W**e thank you for the gift of life: for the breath that sustains life,  
for the food of this earth that nurtures life,  
for the love of family and friends.

**W**e thank you for the mystery of creation:  
for the beauty that the eye can see,  
for the joy that the ear may hear,  
for the unknown filling the universe with wonder.

**W**e thank you for setting us in communities:  
for families who nurture our becoming,  
for friends who love us by choice,  
for companions at work,  
who share our burdens and daily tasks,  
for strangers who welcome us into their midst,  
for people from other lands  
who call us to grow in understanding,  
for children who lighten our moments with delight,  
for the unborn, who offer us hope for the future.

**W**e thank you for this day:  
for life and one more day to love,  
for opportunity and one more day  
to work for justice and peace,  
for neighbors and one more person to love  
and by whom be loved,  
for your grace and one more experience of your presence,  
for your promise: to be with us,  
to be our God, and to give salvation.

**W**e thank You for watching over those with Covid19, caregivers, and seeing us through this pandemic.

**F**or these, and all blessings,  
we give you thanks, eternal, loving God,  
through Jesus Christ we pray. Amen.

Grateful for each of you. God bless.
