There comes a time in life when we **need** to acknowledge our **dependency on God** and proclaim our **allegiance** to His Word. The adapted quotes from “Jesus Awakening Movement for America” express this so well.

“We, as the citizens of heaven, children of God through faith in Jesus Christ alone, declare our **dependency** on the one true and living God, **the Father Almighty**, who alone is the Creator of all things, visible and invisible, including this nation and who sustains and rules over the United States of America.

We declare our **dependency on the Lord Jesus Christ**, the only begotten Son of the one true and living God, the Judge of this nation, eternal God, of one substance and equal with the Father Almighty, the one and only way to salvation through faith, and together with whom we are heirs of God’s glory and Kingdom and all that is His.

We declare our **dependency on the Holy Spirit**, the Spirit of Truth, divinely equal to God and Jesus Christ, eternally proceeding from the Father and the Son,

We declare our **dependency on the Holy Scriptures**, the infallible Word of God written in the Old and New Testaments, written under the inspiration of the Holy Spirit, and has **supreme authority** in all matters of faith, life, thought, and conduct

Accordingly, we declare our **love** for the **United States of America**, as this nation was formed and **created** by **God**, is **sustained**, and **ruled** by Him, and thus, we, God’s people chosen by Him to live therein, but not of it, are **co-heirs** with the Lord Jesus Christ of all that is God’s, including this nation, and are called by the **Word of God** to seek its **peace, restoration, and prosperity**;

We declare our love for the **people** of the **United States of America**, those within and without the household of God, as we are commanded by the Lord Jesus Christ to **love our neighbors as ourselves**, in word and deed, and to help those in want.

We declare that the Triune God and the Gospel of Jesus Christ are the only hope for this nation, the only answer to its ills and the only rock on which all should stand.
