Watercolor Workshop

Seeing shapes, seeing colors, seeing God's masterpieces in creation helps us to see the world around us from a different perspective. This can be captured by the each of us in our own artistic way. Everyone is artistic in their own appreciation and gratitude of what God shares with us. Working with watercolor awakens us to beauty all around us. In quiet relaxation and guidance, we can experiment with water and color and be SURPRISED with what we can do. So come, try it, and enjoy time painting together.
