Who Was Mary Magdalene and Why is She Relevant Today?

While there are only a few references to Mary Magdalene in the Bible, much has been written about her. Join Deb Baron to view the film “Mary Magdalene” (2018) and discuss why some identify her as “the apostle to the apostles.” According to scholar Cynthia Bourgeault, “For when we see who she really is, we see what Christianity really is, what it could have been – and pray to God, can still become.” A light lunch will be served.
