Reflecting on Beauty with Visio Divina

While Lectio Divina is a method of praying with scripture, Visio Divina (Latin for "divine seeing") is a method for praying with images in art and other media. Scripture shows us that imagery has been an important part of God's way of communicating with us. Ezekiel's vision of dry bones (Ezek 37:1-14) and Peter's dream on the rooftop (Acts 10) are just two instances of how images and prayer are vitally

connected. Join us for this 90-minute program to learn about Visio Diving and have an experience of this prayer form.
