Enneagram Exploration

The Enneagram is an ancient system of understanding the core of who we are. Through the discovery of one's primary "type" or "style," people can get to know who they are at their core and how it affects their relationships, communication, and understanding of self.

Presenter:

Reverend Kelly Perotti

Rev. Kelly Perotti is an ordained minister in the Christian Church (Disciples of Christ). She has a BA in English Literature from the University of New Mexico and her MDiv from Phillips Theological Seminary, where she wrote her thesis on *The Church and Domestic Violence: Breaking Free From Patriarchal Theology to Create Happy, Healthy, and Thriving Lives*. Her interest in personality and identity led her to her study of the Enneagram, because she believes every person should be able to be who they are meant to be.
