

Join us for this online mini-retreat:

Poverty: Crushing Reality and Spiritual Gift

Poverty is unending and cruel for most people in the world, even for some close by. We will briefly explore what poverty is, and grasp how we, while physically comfortable, are in need and can learn from the poor. The scriptures challenge Christians to see the poor as our own family, commissioning us to put faith into service to end poverty, bring hope and even justice. We can find a new relationship with our blessings. This mini retreat will include opportunities for prayer, reflection and sharing.
